

Business Funding

There are several options available to you to help you with your business.

First Time Business.

The Ventura County Development Corporation (VCDC) has several programs to help you learn to budget for a new business along with sources of funding that may be available.

Traditional funding sources. Many banks have available SBA loan programs that provide funding for buying a building, to tenant Improvements and purchasing of inventory. (I will go into more detail on the SBA programs and provide a list of Chamber members they can contact)

If you are just considering moving to Moorpark, we suggest you contact David Mo, Economic Development Manager at the City at 805-517-6217 or email him at DMoe@MoorparkCA.gov. You can also contact the chairperson of the Moorpark Chamber of Commerce Economic Development Task Force, Ken Simons at 805-277-4015 or email him at kensimons@naicapital.com. Either person will assist you in your requests.

When you move to Moorpark, you will want to participate with the Chamber in helping us continue to improve the business environment in Moorpark. They also have numerous promotional opportunities to get you known in the community as well. They are located at 18 E High Street., Moorpark, CA. 93021 (805) 529-0322
